

Essential H2O

The Essential H2O basin embodies the essence of the LuneUp collection: a unique piece, without additional surfaces, combining functionality and design. Crafted from handcrafted ceramic, it offers a pure and minimalist form. Available in all finishes and earth tones, it seamlessly fits into both indoor and outdoor spaces, whether residential or contract. Its versatility makes it perfect for contemporary environments, where ceramics become the central element of the decor.

Il lavabo Essential H2O rappresenta l'essenza della collezione LuneUp: un pezzo unico, senza superfici aggiuntive, che unisce funzionalità e design. Realizzato in ceramica artigianale, offre una forma pura e minimale. Disponibile in tutte le finiture e terre, si adatta con eleganza a spazi indoor e outdoor, sia residenziali che contract. La sua versatilità lo rende perfetto per ambienti contemporanei, dove la ceramica diventa elemento centrale di arredo.

Mix & Match

The finishes of the top and the clays of the ceramic elements can be freely combined.

Le finiture del piano e le terre degli elementi in ceramica possono essere abbinate liberamente

Care instruction

In order to preserve the appearance and durability of product, never use abrasive sponges, hydrochloric or acetic acids, ammonia or metal silicates.

Per preservare l'aspetto e la durata del prodotto, non utilizzare mai spugne abrasive, acidi idroclorici o acetici, ammoniaca o silicati metallici.

Uniqueness

All our pieces are wheel-thrown by hand: slight variations in shape, size, and weight are natural characteristics of artisanal craftsmanship.

Tutti i nostri pezzi sono torniti a mano: eventuali leggere variazioni in forma, dimensioni e peso sono caratteristiche naturali della lavorazione artigianale.

*The indicated dimensions may vary by approximately 1-2%, reflecting the handcrafted nature of each piece.

*Le dimensioni indicate possono presentare una variazione di circa 1-2%, espressione della lavorazione artigianale di ciascun pezzo.
